<p>Unit Definition (200 Minutes Weekly / 120 Hours)</p>	<p>IAC 281—12.5(13): 12.5(13) Unit. A unit is a course that meets one of the following criteria: it is taught for at least 200 minutes per week for 36 weeks; it is taught for the equivalent of 120 hours of instruction; it requires the demonstration of proficiency of formal competencies associated with the course according to the State Guidelines for Competency-Based Education or its successor organization, as effective on February 7, 2024; or it is an equated requirement as a part of a flexible student and school support program filed as prescribed in rule 281—12.9(256). A fractional unit will be calculated in a manner consistent with this subrule. Unless the method of instruction is competency-based, multiple-section courses taught at the same time in a single classroom situation by one teacher do not meet this unit definition for the assignment of a unit of credit, unless otherwise provided by Iowa Code section 256.11.</p>	<p>Begin a Term: Day 1 (Core Scholar).
