Health Education Today's High School Health Curriculum:
Aligned with **all** the Wyoming Health and Safety Content and Performance Standards (High School, 2023)

Wyoming Health and Safety Content and Performance Standards (2023): <https://edu.wyoming.gov/wp-content/uploads/2024/01/Health-Ch.-10-WYCPS.pdf>

Wyoming Health and Safety Content and Performance Standards — Domains (Grade 9-12 Band, Grade 12 Benchmark)::

- 1) Health Information, Concepts, Products, and Resources: Students will access, analyze, and evaluate health information, products, and resources.
- 2) Problem Solving and Decision Making: Students will use critical thinking and systematic processes to examine health-related problems and make decisions that enhance health and prevent, reduce, or avoid health risks.
- 3) Effective Communication: Students will demonstrate the ability to use interpersonal communication skills to enhance health and prevent, reduce, or avoid health risks.
- 4) Personal and Social Responsibility: Students will demonstrate the ability to use personal and social skills that are associated with taking responsible action for enhancing health and preventing, reducing, or avoiding health risks.

Wyoming Suggested Health Topics::

Alcohol, Tobacco, and Other Drugs (ATOD); Community and Environmental Health (CEH); Cardiopulmonary Resuscitation (CPR); First Aid (FA); Family Life (FAM); Growth & Development (G&D); Human Sexuality (HSX); Injury Prevention and Safety (IPS); Mental and Emotional Health (ME); Nutrition (NUT); Physical Activity (PA); Prevention and Control of Disease (PCD); Personal Health (PH); Suicide Prevention (SP); Violence Prevention and Bullying (VPB)

2023 Health and Safety Wyoming Content and Performance Standards (emended February 2025), adopted under Chapter 10 Rules effective July 17, 2024, replacing the 2012 standards, with full district implementation by School Year 2026-27. The 9-12 band is benchmarked at grade 12 (12.HE codes; the official numbering is non-consecutive by design), and each standard includes its Proficient performance-level descriptor.

Health Information, Concepts, Products, and Resources

<p>1. Evaluating Health Information</p>	<p>12.HE.1.2: Use criteria to evaluate the validity of health information from a variety of sources. [Suggested Health Topics: ATOD, HSX, NUT] • The Proficient student is able to use criteria to evaluate the validity of health information from a variety of sources.</p>	<p>Mental Health: Day 5-6 (Numbing myths).
